CALL FOR WORKSHOP PROPOSALS

International Multidisciplinary Conference (DBC-IMC 2027)

Conference Theme: *Intellect, Intent, and Innovation: Navigating the Human Experience in the Automation Age*

22–23 January 2027 | Don Bosco College, Panjim, Goa

Invitation for Workshop Proposals

The Organising Committee invites academicians, researchers, educators, professionals, and subject experts to submit proposals for conducting interactive, skill-oriented workshops during the International Multidisciplinary Conference (DBC-IMC 2027).

The workshops are intended to provide participants with meaningful opportunities for experiential learning, practical skill development, and exposure to innovative methodologies relevant to contemporary academic, research, and professional practices. Proposals that encourage interdisciplinary engagement and demonstrate clear practical applications are particularly welcome.

GUIDELINES FOR WORKSHOP PROPOSALS

1. Nature and Scope of Workshops

- Workshops should be practical, interactive, and application-oriented rather than predominantly lecture-based.
- Proposals should align with the central conference theme or its associated sub-themes.
- Workshops may focus on contemporary tools, emerging technologies, innovative research methodologies, teaching-learning practices, professional competencies, ethical issues, or other relevant interdisciplinary applications.
- Preference will be given to workshops that introduce participants to skills, techniques, tools, or approaches they can subsequently apply in their academic or professional work.

2. Workshop Structure and Delivery

- **Suggested Duration:** 45–60 minutes, subject to the final conference schedule.
- Each workshop should include a brief conceptual introduction followed by guided demonstrations, practical exercises, hands-on activities, case-based learning, simulations, or collaborative tasks.
- A substantial portion of the session, preferably at least 50%, should be devoted to participant engagement and practical activities.
- Facilitators should ensure that the proposed activities are achievable within the allotted time.

- Workshops should conclude with clearly identifiable learning outcomes or practical takeaways.

3. Workshop Proposal Requirements

Interested facilitators should submit a proposal containing the following details:

1. **Title of the Workshop:** A clear and engaging title reflecting the focus of the session.
2. **Workshop Overview (150–200 words):** A brief description of the topic, its relevance, and its practical significance.
3. **Learning Objectives:** Three to five specific learning objectives indicating the knowledge or skills participants are expected to acquire.
4. **Target Audience:** The intended participants, such as students, research scholars, faculty members, professionals, or an interdisciplinary audience.
5. **Workshop Methodology:** A description of the proposed activities, practical exercises, demonstrations, tools, or techniques.
6. **Proposed Session Plan:** A brief outline indicating the sequence of activities and approximate time allocation.
7. **Expected Learning Outcomes:** The practical competencies, skills, or resources participants will gain.
8. **Technical and Logistical Requirements:** Details of any software, equipment, internet access, audiovisual support, or other resources required.
9. **Facilitator Details:** Name, designation, institutional affiliation, qualifications, relevant expertise, and a brief professional profile (100–150 words).

4. Evaluation and Selection

Workshop proposals will be reviewed by the Conference Organising Committee based on:

- Relevance to the conference theme and sub-themes.
- Academic and professional significance.
- Clarity of learning objectives and expected outcomes.
- Degree of interactivity and practical engagement.
- Innovation, originality, and interdisciplinary relevance.
- Feasibility of conducting the workshop within the available time and resources.
- Expertise and experience of the proposed facilitator(s).

The Organising Committee reserves the right to accept, reject, or suggest modifications to proposals based on their suitability and the overall conference programme.

5. General Instructions

- Proposals should be original, clearly structured, and submitted in English.
- Joint proposals involving two or more facilitators are welcome.

- Selected facilitators may be requested to submit supporting materials or a detailed session plan before the conference.
- Workshop facilitators should ensure that activities are inclusive, academically appropriate, and accessible to the intended participants.
- Final scheduling, duration, participant capacity, and logistical arrangements will be determined by the Organising Committee.

SUBMISSION OF WORKSHOP PROPOSALS

Interested individuals are invited to submit their workshop proposals for consideration by the Conference Organising Committee.

Proposal Submission Deadline: 10th December 2026

Submission Email: vijayviegas@donboscogoa.ac.in

Email Subject: Workshop Proposal – DBC-IMC 2027

Conference Website: www.conference2027.donboscogoa.ac.in

Selected facilitators will be informed following evaluation of the submitted proposals.
